Quality Dahlias

Our 1934 Introductions

Note:—All dahlias (*) in this catalog, we especially recommend for exhibition purposes.

REDWOOD—F. D.—This dahlia is a most attractive light cardinal red. The tall sturdy growing plants are covered with large blooms from early season until frost. Recommended for garden effect and cutting **\$2.50**

***WHITE FANTASY. I. D. or S. C.** An artistic variety whose form and color vary a little with changing weather conditions. Most blooms are of clear white, but some are charmingly tinted with soft pink. The tall sturdy plants are not troubled by insect pests and carry an abundance of long stemmed flowers which are excellent keepers. **5.00**

***YANKEE GOLD—I. D.**—The color of this huge flower is gold — bright gold, deepening toward the center. The stems are very strong, and the plants tall. This new dahlia has been greatly admired, both in the garden and in our exhibits **7.50**

SALLY—Single—A new coloring for this class, a bright orange or terra cotta red, that is most attractive .. **2.00**

MARYGOLD—Single—A large bright golden yellow with a pale orange disc **2.00**

Quality Dahlias

LARGE FLOWERED TYPE
